Re: Fuel Surcharge Implementation – City of Lincoln Contract

Bob:

Paragraph B of our contract for waste hauling services calls for a fuel surcharge negotiation should our price for fuel exceed \$3.11 per gallon. We are currently in a fuel purchase lock at \$3.41 per gallon, and have been since January 1 of this year. We adjust our fuel surcharge 1% for every .10 incremental increase in our fuel cost. This would equate to a 3% fuel surcharge.

Upon your approval, I would like to implement this surcharge on the billing for July services, which is billed on the August 1 invoice for July rendered services.

Sincerely,
